About Our 2019 Partners

Through food recovery, culinary training and a community feeding program, **Bracken's Kitchen** is committed to recovering, repurposing and restoring both food and lives. Bracken's Kitchen is:

- Feeding people in need.
- Rescuing food to feed children and adults, and not sending it as waste to the landfills.
- Repurposing quality, recovered food to make Healthy Meals.
- Providing a path out of poverty for young adults through culinary workforce training and job placement.
- Feeding hungry children and adults with a dignified, quality experience.

Additionally, Bracken's Kitchen also distributes meals to its partner organizations and provide wrap-around services that enable people to successfully overcome the root causes of the issues they are facing in life such as lack of housing and employment, health and mental health-related issues, etc.

IMPACT area: **Hunger | Education**

Opportunities include:

- CREATE MURAL WALLS
- PAINT NEW FACILITIES
